

# WORLD PAC®

## OE Products for **Import Vehicles**

Sourcing Globally Since 1969

WORLD PAC offers a comprehensive selection of OEM imported products to maintain the integrity of the vehicle which helps significantly to reduce costly comebacks. Make WORLD PAC your primary source for quality products for Import Vehicles.

WORLD PAC has been a direct importer for nearly four decades and understands how to source the *RIGHT PART* at the *RIGHT TIME*. With our importing expertise and complete late model foreign car line applications, there is no longer a need to call the dealer!

**Register** now for your chance to win a Plasma HD TV, iPods and more! Drawing held on March 4th 2008
