

WORLD PAC

OE Products for

Sourcing Globally Since 1969

German Imports

AUDI BMW MERCEDES MINI PORSCHE SMART VOLKSWAGEN

WORLD PAC offers a comprehensive selection of OEM imported products to maintain the integrity of the vehicle which helps significantly to reduce costly comebacks. **Make WORLD PAC your primary source for quality products for German Vehicles.**

WORLD PAC has been a direct importer for nearly four decades and understands how to source the *RIGHT PART* at the *RIGHT TIME*. With our importing expertise and complete late model foreign car line applications, there is no longer a need to call the dealer!
