Engine Oil

Dear Mr Dol,

Analysis of the engine oil

MOTUL 8100 X-max SAE 5W-30

has shown that product in question meets the requirements in accordance with VW Standard 502 00 and VW Standard 505 00. This engine oil is therefore suitable for use in our petrol and diesel engines, including engines with turbochargers, in accordance with the Owner's Literature for our products.

So that it is clear to both customers and workshops that this approval has been granted, containers should state:

Please note that this approval expires after 36 months, at which point compliance with the then valid VW standards must be verified again.

The fee for this approval amounts to € 2 680,-.

Yours sincerely,
