

PROFIT FIRST for Your BUSINESS

1 DAY
CLASS

You work hard to run your repair business. Making it profitable can be difficult but it doesn't need to be that way.

- Transform your business from a cash-eating monster to a money-making machine.
- Make a profit every year with the Profit First formula!
- Pay the Tax Man on time, every time!
- Identify the profit drains in your business
- Put cash flow guardrails in place to protect the profits and make money this year!

"Chris came up with a plan for me to keep track of things that I never could before. 25% goes to parts, 37% to payroll, 4% to sales tax, 1% to profit for now, 1% to debt repayment, and the rest goes into a special account. Working with Chris has been life changing for me and my company!"
